Sir

I have the honour to forward herewith, for the information of Government, a copy in duplicate of the circular No: @899 dated the 16th April 1924, issued to the Presidents of District Boards in regard to the form to be adopted by the Chief Sanitary Inspectors for the submission of their weekly diaries.

Bangalore dated the 16th April 1924.

From

DR. H. B. MYLVAGANAM, F.R.C.S.,(EDIN.),
Sanitary Commissioner with the Government of
His Highness the Maharaja of Mysore, BANGALORE.

To

THE PRESIDENT,
of the District Board,

Sir,

I have the honor to state that no uniformity of procedure is observed by the Chief Sanitary Inspectors in the matter of the submission of their weekly diaries. Some send in the diaries in the simple form of a statement while other have a fancy in writing out elaborate journals not in frequently containing non-essential matter which takes up much valuable time to wade through.

2. It is also observed that the diaries are in most cases, passed on direct to this office without, in the first instance being returned to the Chief Sanitary Inspectors with the remarks of the President as required in rule 12 of Government Order No. L. 2584-93/San. 52-22-4 dated the 5th October 1923.

3. With a view to systematise the procedure, I would suggest the desirability of the diaries being in future required to be written up on half-margin on foolscap sized paper and to have a statement of "Resume of work done" attached to them so that they may at a glance show the main feature of the work done by the Chief Sanitary Inspector during the week.

4. The journal should be in as concise a form as possible showing the places visited, the purpose of visit and a clear but brief account of the defects that were noticed during the course of inspections under the heads "Village Sanitation, Scrutiny of Registers of Vital Statistics, Verification of Vaccinations &c.," as out-lined in the Government Order referred to above.

5. I request that you will be so good as to issue necessary instructions to the Chief Sanitary Inspector accordingly. A form of statement is appended.

Sir

With reference to your letter No. L.491 dated the 22nd July 1924, I have the honor to state that para 10 of the rules appended to Government Order No. L. 2584/ San. 52-22-4 dated the 5th October 1923, prescribed that the Chief Sanitary Inspector should lose no opportunity of examining the routine work of the Sanitary Inspector, whether employed by a Taluk or a Municipal Board. The inspection of hotels, sweetmeat shops, bakeries &c., must necessarily arise in connection with the practical scrutiny of the work of the Sanitary Inspector as outlined in Appendix "B" of Government Order No. 5113-63/San. 86-13- dated the 8th February 1917. It was for this reason that these headings were inserted in the proposed form.
